Dear Mr. Peterson:

On September 17, 2007, the Division received the enclosed check for the annual permit fees for the Briggs and Lone Pine quarries.

This check is being returned for two reasons. First, the numerical field was altered and appears to be for \$300. The written amount is \$150. Second, the permit fee for the Briggs is \$150, the permit fee for the Lone Pine is \$500, for a total of \$650.00. A reminder, you also have the Sierra Starlight Quarry with a permit fee of \$150 for a grand total of \$800.00 for all your quarries.

We have attached new billing statements for each quarry. Please provide the correct amount for the annual fees for these sites within the next 30 days.

Thank you for your immediate attention to resolve this issue.

Sincerely,

Penny Berry

*Failure to pay fees required by the R647 Mineral Rules will result in Withdrawal of the approved Notice of Intention. No mining/exploration activities can occur on the site after the Fee Due Date until the annual permit fees are paid.

If reclamation is complete, the fee may not be required, but a request to inspect and close out the site must be submitted to the Division on form MR-SITE.

Forms and other permit-related information are available on the Web at <http://ogm.utah.gov/minerals> or you can call (801) 538-5291 for more information.
